

Rules and Class Definition

1. Five competing classes - Purebred Scissoring, Spaniel & Setter, Handstripping, Poodle, Workshop.
2. Dogs must have a minimum of 8 weeks hair growth. Any evident line must not appear.
3. Poodles must have a minimum of 5 cm hair growth. Any evident line should not appear. The hair on the muzzle and feet can be shorter. Any clipping must be done during the competition.
4. Dogs hair must be long enough to allow the groomer to make changes to it's physical appearance.
5. Dogs must be freshly bathed and dried and have no tangles in their hair. Ears must be cleaned and nails clipped before the competition.
6. Dogs underbelly, genitals and hind quarters may be previously cleaned for reasons of hygiene according to breed standard.
7. All grooming techniques (scissoring, clipping, handstripping and thinning) are allowed.
8. For poodles, all commercial and exhibition trims and modern puppy are allowed. The judge must be notified of the type of trim to be performed before the competition starts.
9. All competitors must be in the ring 30 minutes before the start of the competition.
10. Example Breeds:
